## WORK EXPERIENCE

---

### Apple

Jan. 2023 – Present

*Annotation Analyst*

*Cork, IE*

- Evaluated AI-generated code in Swift, Python, C#, Java and C++ as part of model training efforts, focusing on correctness, readability, and alignment with language-specific best practices.
- Assisted the QA Localisation team in identifying and reporting UI and localisation-related bugs introduced in the beta builds of upcoming OS releases in Hungarian and English across iPhone, iPad, Mac and Apple Watch.
- Annotated and evaluated audio, visual and text-based data to support the development of Apple Intelligence and Siri.

### Lidl

March. 2022 – Dec. 2022

*Customer Assistant*

*Ballincollig, IE*

- Operated point-of-sale systems efficiently to process orders and payments in a high-volume environment.

### McDonald's

Oct. 2019 – Dec. 2021

*Crew Member*

*Innsbruck, AUT*

- Operated point-of-sale systems efficiently to process orders and payments in a high-volume environment.

### Reindl's Partenkirchner Hof

Sept. 2017 – Sept. 2019

*Night Receptionist*

*Garmisch-Partenkirchen, GER*

- Managed late-night front desk operations, including guest check-ins, check-outs, and reservation handling.

## EDUCATION

---
